SELECTMEN'S REPORT

During 1987 Greenfield continued to grow. The tax base for 1987 increased by \$2,173,309. It is expected that we will pick up an additional \$1,500,000. in assessments in 1988 due to the expansion of East Coast Steel property on Bennington Road, 15 new homes and several additions and renovations to existing properties.

Steven Robertson, of Old Bennington Road, was elected to a three year term as Selectman and Dorothy Hilton was elected Treasurer.

The Town is in receipt of Federal Grant money in excess of \$4300.00 which was received toward the "Jaws of Life" project. You will be voting on an article to place this money in a Capital Reserve Fund to be used toward a new rescue truck.

On the warrant for your consideration this year are several significant capital items: Voters will be asked to consider a new fire truck and grader for the Town, as well as a computer system which would be utilized by all of the various offices and departments.

In this year's Town Report you will note some changes in the reporting format. To save time and expenses in printing, we have not entered detailed expense reports by vendor for individual departments. This information will be available at Town Meeting and in the Selectmen's office for your review.

In October, Elizabeth Kenney resigned as Administrative Assistant and Adele Gagnon was appointed to the position. Adele would like to thank everyone for their cooperation during this transition period.

The Board of Selectmen would like to take this opportunity to thank the many people who volunteer numerous hours to the town on the Rescue Squad, Budget Committee, Fire Department, Planning Board, Board of Adjustment, Fairgrounds Committee, Recreation Committee and elected officials. Greenfield is a stronger and better community in which to live thanks to their unselfish gift of time and devotion to duty.

Town Journal

1987 was a year of change and excitement.

It was exciting to learn that our library, Stephenson Memorial, was selected as one of 800 in the country eligible to receive a National Endowment for the Humanities matching fund \$500 grant to secure books for a Bicentennial Constitutional Bookshelf to celebrate the 200th birthday of the United States Constitution.

Town meeting members voted to instruct legislators to take action to ensure that no low-level radioactive waste from the Seabrook nuclear power plant be stored or disposed of in town without the residents' approval.

It was exciting to learn that with the Trustees' promotion, with pre-schoolers nickles, school children's dimes, and many larger donations, Greenfield folk met the challenge in the designated time and raised over the \$500 for the national Endowment for the Humanities matching grant for the Bicentennial Constitutional Bookshelf for the library.

It was exciting to have our flag lighted and flying from the new, indestructible pole at the Library after a year's absence. Thank you to the original donors.

An air of awaited surprise permeated the dining room at Sir William's as the Woman's Club members gathered for their annual meeting. It was exciting when Selectwoman Sharon Gordon presented Florence Lee, Greenfield's "most senior" resident with the Boston Post cane.

The Seventh Annual Historical Fair "Greenfield in 1915" presented memorabilia recently discovered which attracted and interested a large group of attendees.

The Reverend F. Daniel Osgood with wife Kathleen, son Ryan, and daughter Megan arrived in June to be the minister of the Union Congregational Church, the Protestant chaplain at the Crotched Mountain Rehabilitation Center, and ready to help in Greenfield wherever needed.

It was exciting when 149 (60 in 1986) runners opened the successful Oak Park Festival with their race. The Temple Band, the parade, the dunkin' booth, the games, the crafters, Cary Smith's two pair of oxen - all combined for a memorable Festival.

In recognition of the 200th birthday of the United States Constitution the Library summer reading program "Read America" required reading books on the constitution the founding fathers, and national monuments. The conclusion of this program was celebrated with the annual program of the Little Red Wagon of the University of N.H.

September 17 at 4 P.M. with the rest of the country the bell in our Greenfield historical Meeting House was rung for 200 seconds by Gerry Buchanan, Casey & Kelly

Burrage, Michael McDaniel, Megan Osgood, Erin Perry and Chris Pratt; timed by Ryan Osgood; and supervised by Shep Burrage. Following 200 seconds of silence, the Reverend F. Daniel Osgood offered a prayer of gratitude.

That evening the Library trustees held an Open House to honor the day and proudly present our Bicentennial Bookshelf of the United States Constitution. A Video of the afternoon bell ringing taken by Richard Miner was shown.

On the following evening, September 18, the Woman's Club, in recognition of the Constitution's 200th birthday, had for their opening program of the new season "Fitting A Square Peg In A Round Hole" presented by Robert Marshall.

Jared Brown was the teaching principal of the Elementary School this year as Douglas Pierson was granted a leave of absence for advanced study. It was exciting when the T shirts, with student design "Climb Aboard", arrived for sale, proceeds to benefit the School Playground Fund sponsored by the Greenfield Parent-Teacher Organization with Sue Morash as Chairperson. Their goal is to improve the play facilities at the school.

It was exciting when the contributions of Greenfield folk put the fund for the Jaws of Life over the top and the demonstration of this equipment at the Open House at the Fire Station. All credited to our Volunteer Fire Department!

The Annual Harvest Fair of the Woman's Club was a financial and artistic success which makes possible their many donations to town projects, such as Jaws of Life, VCR for Library, and Rescue Van equipment.

Changes came to Greenfield in 1987. Elizabeth Kenney, Administrative Assistant resigned and was replaced with Adele Gagnon. Building Inspector Victor King resigned. The Selectmen appointed Norman Fajans to fill the position. Warren White was hired to supervise the Recycling Center when Arthur Varnum resigned. Gardner Glover resigned as Custodian of the Meeting House after over 30 years of devoted service.

The arrival of Vice-President Bush by military helicopter was eagerly awaited on the Gregg hilltop. Having alighted from that final helicopter and flanked by security the Vice-President personally greeted hundreds as he wended his way to the house through the 3500 (previously cleared by the FBI) on that beautiful, sunny October 10th. All were treated to that special Kathy & Judd Gregg hospitality - a truly memorable event for Greenfield folk, their relatives and friends.

The Vice-President of the United States, George Bush, visited Greenfield. It was exciting!

A new club, Greenfield Antique Tractor Club, was formed and had a successful meet - Tractor Trollops.

Deaths of long-time residents have saddened the town this year. John Delay, owner of Town & Country Store, will be remembered for his support of many town activities;

Clare Belmore for her wonderful vegetable garden, Florence Lee for her work with town, church, and Woman's Club, and Evelyn Russell for her church and Grange work.

The Greenfield Inn was the historic house selected by the Historical Society for their traditional Christmas Open House. The large group attending enthusiastically toured and enjoyed the historical importance and hospitality of this Inn.

Carolyn Woodbury for the Recreation Committee developed co-sponsor programs with the Recreation Committee of Crotched Mountain Rehabilitation Center as well as continued monthly activities in town which culminated with Christmas festivities and the lighting of the town Christmas tree - symbol of the caring, sharing spirit of our town.

TOWN WARRANT
Town of Greenfield
State of New Hampshire

To the inhabitants of the Town of Greenfield in the County of Hillsborough and State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Meeting House in said Greenfield on Tuesday, the eighth day of March, next, to act on the following subjects. The polls will be open at the Town Meeting House from 10:00 A.M. to 7:00 P.M.

Article 1A: To choose all necessary Town Officers for the year ensuing.

Article 1B: To vote by ballot on six amendments to the Zoning Ordinance and one amendment to the Building Code as follows:

Zoning Ordinance and Building Code Amendments

Amendment No. 1. Amend the Zoning Ordinance by inserting the following as SECTION II. DEFINITIONS, paragraph N:

N. "Family" shall mean any number of persons related by blood or marriage, or not more than four (4) persons not-related by blood or marriage, living together as a single housekeeping unit.

COMMENT: Amendment No. 1 would define the term "family" and limit the number of persons living together as a single housekeeping unit and not related by blood or marriage, to four.

Amendment No. 2. Amend the Zoning Ordinance by inserting the following as SECTION II. DEFINITIONS, paragraph O:

O. "Dwelling unit" shall mean a room or rooms connected together, constituting a separate, independent housekeeping establishment for owner occupancy, rental or lease, and physically separated from any other rooms or dwelling units which may be in the same structure, and containing independent cooking, sanitary, and sleeping facilities.

COMMENT: Amendment No. 2 would define "dwelling unit", a term used extensively in the Ordinance.

Amendment No. 3. Amend the Zoning Ordinance by deleting SECTION IX. PENALTY in its entirety and insert in its place the following:

SECTION IX. PENALTY

Every person, persons, firm or corporation convicted of violating any of the provisions of this ordinance shall be subjected to a fine of not more than one hundred dollars (\$100.00) for each day such violation may exist after a formal written notification by the town that a violation exists.

COMMENT: Amendment No. 3 would raise the penalty for violating the Ordinance from \$10.00 to \$100.00 per day, the maximum penalty allowed by New Hampshire law.

Amendment No. 4 Amend the Zoning Ordinance by deleting SECTION VIII. AMENDMENTS in its entirety and insert in its place the following:

SECTION VII. AMENDMENTS

This Ordinance may be amended from time to time by the voters of the Town of Greenfield in Town Meeting convened for that purpose pursuant to the provisions and procedures set out in the New Hampshire Revised Statutes Annotated (RSA), Chapter 675:3-5 as amended.

COMMENT: This amendment would clarify the procedures for amending this Ordinance.

Amendment No. 5 Amend the Zoning Ordinance by inserting the following as SECTION IV. GENERAL REGULATIONS AND RESTRICTIONS, paragraph F and renumbering subsequent paragraphs accordingly:

F. BACKLOTS/REDUCTION OF REQUIRED FRONTAGE

a. For the purpose of implementing the policies and goals set out in the Town Master Plan, avoiding strip development and encouraging good civic design, the Planning Board, at its sole discretion, is hereby authorized to approve subdivision proposals containing backlots with less frontage than otherwise required by this ordinance. Such backlots may be approved in the RURAL/AGRICULTURAL and GENERAL RESIDENCE districts only and no such approval shall be granted unless the following conditions are met:

1. All backlots so approved shall be laid out in such a manner as to be capable of accommodating completely within the lot boundaries and completely behind the required front yard, a square with each side having a minimum dimension of not less than the frontage requirement for the district in which the lot is located.

2. In no case shall any backlot be approved which does not have at least 100 feet of frontage as defined in this ordinance.

3. Not more than one such backlot shall be created on any lot of record as of the date of adoption of this section (March 8, 1988) and no backlot so created shall be further subdivided except in full conformity with the provisions of this ordinance.

4. In no case shall such backlots be so located as to have adjacent frontage.

5. Any backlots so created under the provisions of this section shall have a minimum area of not less than ten acres and any construction thereon shall be set back from public rights-of-way not less than 3 times the distance usually required in the district. Such lots and any subsequent development thereon shall conform in all other respects to the requirements set out in this ordinance and the Subdivision Regulations.

6. Proposed driveway (curb cut) locations for each lot in the subdivision shall be clearly shown on the subdivision plat which shall be accompanied by written comments as to location, design and safety by the town engineer/road agent if such lots are located on a Town maintained road or the Commissioner of the New Hampshire Department of Transportation or his duly authorized agent if the lots are located on a State maintained road.

b. It is the intent of this ordinance that the creation of backlots be allowed only in appropriate circumstances, and not encouraged. The planning board may reject proposals for the creation of backlots if it determines that such proposals:

1. involve land which is unsuitable for development, or
2. are scattered and premature, or
3. are otherwise inconsistent with the expressed purpose of this ordinance.

Amendment No. 6. In the Building Code, amend the section titled Water Pollution Control Regulation by inserting the following paragraph in Section 2:

(e) These regulations do not apply where the system is being repaired or replaced "in kind" providing that:

1. The leaching portion of the system is more than 75 feet from surface waters of water supplies and
2. The system is not intended for use by the public and
3. The system is receiving only sanitary wastes.

"In kind" means that the size, location, depth and type of design shall be as existed before repair and/or replacement and that the proposed use will not change or the flow increased.

COMMENT: Amendment No. 6 would bring the Water Pollution Control Regulation in line with State regulations by exempting the repairing or replacing of existing systems providing certain conditions are met.

Town Meeting will recess until 7:00 p.m. on Friday, March 11, 1988 when Article 2 and the remaining articles of the warrant will be acted upon.

Article 2: To hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto.

Article 3: To see how the Town will vote on the following question: "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes", or take any action relative thereto. (Requires vote by paper ballot.)

Article 4: To see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the Town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require, or take any action relative thereto.

Article 5: To see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town Charges in anticipation of taxes, or take any action relative thereto.

Article 6: To see if the Town will authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money for the state, federal, or other governmental unit, or private source which becomes available during the year, or take any action relative thereto.

Article 7: To see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals, or take any action relative thereto.

Article 8: To see if the Town will vote to raise and appropriate the sum of One-Hundred Five Thousand Dollars (\$105,000) to purchase a new fire truck and authorize the withdrawal of Eighteen-Thousand Four Hundred Dollars (\$18,400) from the Capital Reserve Fund created for that purpose. The balance of Eighty-Six Thousand Six Hundred Dollars (\$86,600) to come from the issuing of Bonds or Notes under the provisions of the Municipal Finance Act (RSA 33.1), or take any action relative thereto. (Requires a 2/3 paper ballot vote of those present.)

Article 9: To see if the Town will vote to raise and appropriate the sum of Eighty Thousand Dollars (\$80,000) to purchase a new road grader and authorize the withdrawal of Ten-Thousand Dollars (\$10,000) from the Capital Reserve Fund created for that purpose. The balance of Seventy-Thousand Dollars (\$70,000) to come from the issuing of Bonds or Notes under the provisions of the Municipal Finance Act (RSA 33.1), or take any action relative thereto. (Requires a 2/3 paper ballot vote of those present.)

Article 10: To see if the Town will vote to raise and appropriate the sum of Seven Thousand Two Hundred and Thirty-Two Dollars (\$7232.00) for the replacement of 32 (Thirty-Two) street lights to a high pressure sodium type, contingent upon the receipt of 15% of the cost from the State of N.H. Governor's Energy Grant or take any action relative thereto.

Article 11: To see if the Town will vote to raise the appropriate the sum of Nine Thousand Dollars (\$9,000.00) for the replacement of the heating system in the Highway Garage and the Fire Station with a higher efficiency gas type furnace. This appropriation contingent upon the receipt of 15% of the cost through a State of N.H. Governor's Energy Grant or take any action relative thereto.

Article 12: To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars (\$9,000) toward the purchase of a computer system and authorize the withdrawal of One Thousand Thirty-Five and Eighty-Four Cents (\$1035.84) plus accrued interest to date of

withdrawal, from the Federal Revenue Sharing Fund or take any action relative thereto.

Meeting adjourned at 7:00 p.m. to reopen Friday night, March 13, 1987 for Town Meeting when Article II and remaining Articles of the warrant will be voted on.

Meeting reopened at 7:10 p.m. with the Girl Scout Troup presenting the Colors and leading in the Pledge of Allegiance. The Moderator, Peter Hopkins, read the State of the Ballot, before proceeding with the meeting he instructed the assembly on procedure to be followed during the meeting as follows: There will be no smoking in the Hall, anyone wishing to smoke please step into the entrance area; anyone wishing to speak on an issue please rise, state your name and address the chair; wait for a second time to speak on an article until all others have had a chance; chair will not accept motion to pass over an article; articles will be presented as they appear on the warrant; if you notice a mistake has been made by the Moderator you can request a correction be made with a vote of assembly. Marion Harrington our State Representative was introduced as she was sitting in on the Meeting.

Meeting was continued with the reading of articles on warrant.

Article 2 - Moved and seconded to hear the reports of agents, auditors, standing committees, or other officers heretofore chosen and to pass any vote relative thereto. No further reports other than those printed in the town report. Voted in the affirmative.

Article 3 - Moved and seconded to raise and appropriate the amount of \$126,051 for the operations and maintenance of Town Property, Social Security, Town Officers expenses, Debt Service, Insurance, Planning Board expenses and any other charges arising within the Town as proposed under "Allocation of Appropriation Under Article 3" printed elsewhere in this report (page 25), or take any action relative thereto. Question raised as to the increase in the item, Peterborough Ambulance, this was explained that Peterborough was purchasing a new ambulance and we needed to contribute our share. Question about raise for the Administrative Assistant, the Selectmen felt she was doing a good job and deserved a raise, also question as to Grants that were supposed to be pursued when justifying the hiring of an Administrative Assistant, it was explained that there weren't any available. Vote in the affirmative.

Article 4 - Moved and seconded to see if the Town will authorize the Selectmen to borrow such sums as are necessary to defray Town charges in anticipation of taxes, or take any action relative thereto. Vote in the affirmative.

Article 5 - Moved and seconded to see if the Town will authorize the Selectmen to apply for, accept and expend without further action by Town Meeting, money from the state, federal or other governmental unit, or private source which becomes available during the year. Vote in the affirmative.

Article 6 - Moved and seconded to see if the Town will vote to authorize the Selectmen to accept legacies and gifts given the Town in trust or otherwise by any individual or group of individuals, or take any action relative thereto. Vote in the affirmative.

Article 7 - Moved and seconded to see if the Town will vote to authorize the Selectmen to transfer and convey property acquired by the town by tax collector's deed by public auction (or advertised sealed bid) or in such other manner as determined by the Selectmen as justice may require. Vote in the affirmative.

Article 8 - Moved and seconded to see if the Town will vote to raise and appropriate the Recreation Committee \$9,000 for the support of recreation programs, \$1,800 to be raised through taxes and \$7,200 to be raised through fees and charges, or take any action relative thereto. Caroline Woodbury voiced an objection to the way her report was printed in the Town Report, she felt that the vendors should have been listed instead of stating she had been reimbursed. Vote in the affirmative on the article.

Article 9 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$9,652 for the support of the Stevenson Memorial Library or take any action relative thereto. Vote in the affirmative.

Article 10 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$135,648 for the support of the Department of Public Works or take any action relative thereto. This is an increase of \$10,000 over amount stated in warrant. The explanation being that expenses have been heavier than anticipated since the first of the year, part time and overtime being increased \$3,000, equipment rental increased \$4,500, vehicle maintenance \$1,000 and plow and sander maintenance \$1,500. Questioned as to what rental equipment consisted, answered - snow removal equipment. Vote in the affirmative.

Article 11 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$12,000 to be used solely in sealing approximately three (3) miles of previously tarred roads in the Town, or take any action relative thereto. Vote in the affirmative.

Article 12 - Moved and seconded to see if the Town will vote to appropriate the sum of \$3,300 for the purchase of a new plow for the Department of Public Works and authorize the withdrawal of the amount required for this purchase from the Federal Revenue Sharing Fund. Vote in the affirmative.

Article 13 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$20,000 to purchase a new one ton truck with 2-3 yard dump body and plow for the use of the Department of Public Works or take any action relative thereto. Vote in the affirmative.

Article 14 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$29,175 for the Recycling Center or take any action relative thereto. Vote in the affirmative.

Article 15 - Moved and seconded to see if the Town will vote to discontinue the right of way known as Burke Road, connecting Cavender Road to what is known as Petersfield in the Town of Peterborough, or take any action relative thereto. Amended to read "discontinue subject of gates and bars". Vote in the affirmative.

Article 16 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$15,725 for the support of the Fire Department or take any action relative thereto. Vote in the affirmative.

Article 17 - Moved and seconded to see if the Town will vote to appropriate the sum of \$3,800 for the purchase of one portable radio and eight pagers for the use of the Fire Department and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. Charles Stevenson proposed the article be amended to read "To see if the Town will vote to appropriate the sum of \$4,450 for the purchase of one

new portable radio and 10 pagers for the use of the Fire Department and authorize the amount required for this purpose be withdrawn from the Federal Revenue Sharing Fund and Fire Department budget account. Vote in the affirmative as amended.

Article 18 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$40,256 for the support of the Police Department or take any action relative thereto. Amended to eliminate the Town's portion of a Probation Officer assigned to Peterborough, this would decrease the budget by \$871 from the article. Chief Lane said he planned to set up a diversion committee to handle probation matters. Vote on the amended budget for sum of \$39,385. Vote in the affirmative as amended.

Article 19 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$1,000 to allow the Selectmen to contract with a professional assessor to do pick up assessments of new homes, commercial properties and additions, or take any action relative thereto. Vote in the affirmative.

Article 20 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of making the Meeting House handicapped accessible, or take any action relative thereto. Selectmen questioned as to materials to be used and how many bids had been obtained, it was explained there was one bid a year ago for \$7,500 and since we had not appropriated that much it could not be done. It was explained that this sum would be for a cement ramp, moving of shrubs, and renovating a doorway that would probably need to be widened, but not to make bathrooms accessible. It was suggested that treated wood might be used instead of cement, also that it be put out for bids. Vote by show of hands, yes - 43, no - 25. Vote in the affirmative.

Article 21 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$1,200 for the purchase of a flagpole to be placed on the Library lawn, or take any action relative thereto. It was stated that the Library had \$190 that could possibly be used toward the pole. Vote in the affirmative.

Article 22 - 23 and 24 must be voted by show of hands as they deal with Capital Reserve Funds.

Article 22 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$5,000 to be placed in the Capital Reserve Fund for the purchases of fire equipment, or take any action relative thereto. Vote by show of hands, affirmative 72 votes, negative 3 votes. Vote in the affirmative.

Article 23 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$10,000 to be set aside into a Capital Reserve Fund for the purchase of Department of Public Works equipment, or take any action relative thereto. Show of hand, affirmative 66 votes, negative 3 votes. Vote in the affirmative.

Article 24 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$5,000 to be set aside into a Capital Reserve Fund for the purpose of a complete reevaluation of the town, or take any action relative thereto. Question raised as to when this might take place, it is anticipated to be 1990. Cost approximately \$35,000. Show of hands, affirmative 49 votes, negative 19 votes. Vote in the affirmative.

Article 25 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$150 for the support of St. Joseph Community Services, or take any action relative thereto. It was explained that this is the "Meals on Wheels" and currently there are 3 persons in town being served. Vote in the affirmative.

Article 26 - Moved and seconded to see if the Town will vote to raise and appropriate the sum of \$100 for the support of the Grand Monadnock Arts Council, or take any action relative thereto. It was explained that this was designed so that cultural experience be available to reach every child in the Monadnock Region. Vote in the affirmative.

Article 27 - Moved and seconded to vote by paper ballot on the following question: "Shall we adopt the provisions of RSA 72:1-c which authorize any town or city to elect not to assess, levy and collect a resident tax?" A "yes" vote would mean that we will not collect resident tax, a "no" vote would mean that we keep resident tax. The argument for discontinuing the tax was the small amount of revenue and difficulty and expense in trying to collect. On the other hand was the argument that this amount would be added to property owners taxes also this is the only broad base tax we can collect. Affirmative 23 votes, negative 58 votes. Vote is negative so we will continue to collect the tax.

Article 28 - Moved and seconded to see if the Town will vote to require the Selectmen to mail a copy of the Warrant for the Annual Town Meeting and any special Town Meeting to all registered voters of the Town of Greenfield at the time said Warrant is posted, or take any other action relative thereto. (by petition) It was estimated that the cost to the Town would be approximately \$250 or more. This year it was posted in three Public Places and printed in the paper at great expense, also the complete town report was mailed a week before Town Meeting. Vote in the Negative.

Article 29 - Moved and seconded to see if the Town will vote to instruct the town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste from the Seabrook nuclear plant shall be stored or disposed of within this Town of Greenfield unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual Town Meeting by written ballot. (by petition) Amended to read "to see if the Town will vote to instruct the Town's representatives to the General Court to take all necessary measures to insure that no low level radioactive waste shall be stored or disposed of, or transported within this Town of Greenfield unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual Town Meeting by written ballot." Vote in the affirmative as amended.

Article 30 - Moved and seconded to see if the Town will vote to require the Town Clerk to notify the Chairman of the Conservation Commission within three (3) days of receipt of any application to dredge or fill land in the Town of Greenfield, or take any action relative thereto. (Requested by the Conservation Commission) Vote in the affirmative.

Article 31 - Moved and seconded to transact any other business that may legally come before this meeting, or take any action relative thereto. It was brought to the attention of the assembly that this years annual report was dedicated to the memory of Frank Dierauf, and the Moderator read the inscription on back of the cover page. The assembly was reminded

of the School Meeting to held on March 25, and that our votes could make a difference. No further business to come before the meeting. Motion made to adjourn at 9:30 p.m.

CONVAL SCHOOL BOARD REPORT

At the time of this writing, we are in the process of engaging an architect to bring the district one step closer for our building projects. This will probably require a special school district meeting, probably around June to propose a bond issue.

It appears that our budget will be up again, about 7% over last year. We have a large increase in our new bus contract. It will be for six years and a new firm providing the transportation.

Respectfully Submitted,
Roger W. Phelps
School Board Representative

ANNUAL REPORT
CONSERVATION COMMISSION

Your Commission has been very active during the past year with the Planning Board and the Zoning Board of Adjustment as the Town deals with the Wetland Conservation Districts and threats to the purity of our ground and surface waters. We have also sent representatives to workshops and NHACC meetings on the subject and have amassed a large library on the subject. As a result of one of the workshops, we have established a subcommittee to work with the Planning Board and the Southwest Regional Planning Commission to create a water resource protection plan. We feel that this plan is vital to the future of Greenfield.

Our plans to form a Youth Conservation Corps. has been stalled for the past year for the lack of a director. That need has been met, and we shall be starting the organization and planning the program.

The development of the Fleck Conservation Area has been on hold pending obtaining easements from abutters for the conservation of trails and foot bridges around the beaver pond. Yet to be resolved is the problem of liability. This program has been in the making for two years and has become a priority item. Should the Town vote to establish a Town Forest on the Proctor Recreation Area, it is our intent to include this area in the Fleck Conservation Area trail system thus providing hiking and nature trails extending from South Frankestown Road to Savage Road with parking on the Savage Road end.

We have also been working with the New Hampshire Wetlands Board in their administration of the Wetland Dredge and Fill Act. It has been disturbing to find that some violations have not been detected until after the fact. We have been a commission of only five people and are not able to detect all probable violations and are in need of help from the townspeople. We can investigate and take the necessary action without violating any confidentialities.

GREENFIELD FIRE DEPARTMENT

The Fire Department responded to 86 alarms in 1987. The calls were as follows:

Car Fire	- 1	Medical Aid	- 40
Partition	- 2	Auto Accidents	- 7
Cover Truck	- 5	Chimney	- 8
Mutual Aid	- 10	Grass	- 1
False Alarms	- 12		

Mutual Aid Units responding to Greenfield - 18

1987 was relatively quiet for the F.D. with 2 partition fires causing only minor damage. Mutual Aid calls and false alarms accounted for most of the fire fighting activity.

The Rescue Squad remained busy answering 40 calls. Volunteers are still needed for the Rescue Squad.

At the end of July, the 1974 Pumper returned from Valley Fire Equipment looking like new with a refurbished body and paint job. We are expecting at least another 10 years of front line service from this unit.

In October the Rescue Squad received the Hurst Jaws of Life Extrication Tool. Ten firefighters completed an eight hour certified training course on the use of the Jaws tool. We extend a heartfelt thanks to all the citizens and businesses for their contributions and support toward this vital piece of equipment.

I would like to thank the citizens of Greenfield and members of the G.F.D. for their support of the Fire Department.

Respectfully Submitted,
James Conway, Chief
Greenfield Fire Department

REPORT OF TOWN FOREST FIRE WARDEN

AND

STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

OAK PARK FAIRGROUNDS COMMITTEE

1987 witnessed the continued development of the Oak Park Fairgrounds. A new swing set donated by the Recreation Department and picnic tables donated by various individuals as well as continued grooming and new clearing highlighted the activity. The newly seeded areas are filling in well and providing a large grassy area for additional activities.

The Third Annual Oak Park Festival was held on July 11. Due to generous sponsorship by local businesses, a large prize structure attracted a highly qualified field for the morning road race. A fine parade, chicken barbeque, band concert, country music, and a softball tournament was well as many children's activities and games were among the attractions. The weather cooperated this year to make it a great day for all.

Currently, the Committee is beginning preparation for our Fourth Festival to be held on July 9. In addition, thanks to hard work by committee member Carolyn Woodbury, we have applied for matching funds from the State to rehabilitate the track, install a safer and more secure electrical service, drill a new well, and install a fitness course. We have been notified that our proposal for 50% matching funds from the State have been approved. We have included an article in this year's warrant for consideration by Town Meeting.

As always, the committee is seeking new members and new ideas. We would like to extend our gratitude to all local businesses and citizens whose voluntary efforts have contributed greatly to the development of the facility.

Respectfully Submitted,
Oak Park Fairgrounds Committee

OVERSEER OF PUBLIC WELFARE

This year the Public Welfare Department helped four families consisting of ten people. This provided help with food, fuel, and public service. Food baskets donated by Saint Patricks Church in Bennington were greatly accepted by some at Thanksgiving and Christmas. Operation Santa Claus also visited a few families in Greenfield.

Three families received assistance from Southern New Hampshire Services which provides aid with fuel and winterization.

GREENFIELD PLANNING BOARD

The major task of the Greenfield Planning Board over this past year was to bring the Town's zoning ordinance into better compliance with the Greenfield Master Plan. This was accomplished by successfully proposing to the voters a major amendment to the Greenfield Zoning Ordinance.

General goals and policies of the Master Plan include protecting the health and safety of the community, enhancement of the town's rural character, and assuring that development occurs in an orderly and progressive manner. To achieve this, the town was rezoned into four districts. They are:

1. Business District which has about the same boundaries of the old Business District. However, only light industry is now allowed and no new multifamily housing can be constructed. This latter provision reflects the Board's concern with the already high housing density in the district and the septic problems it has created.
2. Village District which includes approximately all the area $\frac{1}{2}$ mile north and east of the Business District. This is a district for only single family homes.
3. General Residence District includes, in general, all the land north of the Village District to the Bennington town line and south of the Business District to the Gulf Road. It also includes the land on either side of Forest Road and portions of East and New Boston Roads. Regulations and restrictions in this district are similar to those of the old Residence A and Residence B Districts.
4. Rural/Agricultural District includes all the remaining area of the town. In this district frontage requirements have been increased from 250 to 350 feet and minimum lot size from 2 to 5 acres. These greater requirements were imposed because of the general remoteness of the district and greater distances to community services.

The Planning Board continued to receive many applications for subdivisions though at a slightly slower rate than the previous year. For this year the Board considered ten subdivision proposals which involved a total of 24 lots.

GREENFIELD POLICE DEPARTMENT

During 1987, 70 criminal complaints were filed with the Police Department, with 46 of these complaints being cleared. Twenty arrests were made.

We responded to 28 Domestic complaints, making two arrests.

Our motor vehicle stops totalled 306, with 182 summonses being issued, 132 warnings given, six arrests made, 10 defective tags issued, and 29 checkups done.

We assisted other Police Departments a total of 91 times, the Fire Department 20 times, and the Greenfield Rescue 24 times. We assisted 58 motorists with disabled vehicles.

We responded to 16 business alarms and 18 residential alarms.

We received 96 dog complaints. Nine restraining orders were issued and 23 unlicensed dog warnings were given.

I would like to express my thanks to all who assisted me in the performance of my duties in 1987.

Respectfully submitted,

Albion R. Lane,
Chief of Police

DEPARTMENT OF PUBLIC WORKS

1987 was a year of exceptional maintenance costs. The trend began in early April when heavy rains made many roads impassable and money was spent hauling stone and crushed gravel to open roads and to make them passable.

Sections of Slip Road and Gulf Road were widened and ditched to make better drainage and easier snow removal.

Shimming and sealing was completed on Slip road, East Road and New Boston Road. An additional mile and a-half was added to the three miles by keeping up with the three year program.

I wish to thank the Selectmen and all persons who have helped me perform my duties throughout the year.

Respectfully submitted,

Bruce Gagnon
Superintendent of Public Works

STEPHENSON MEMORIAL LIBRARY

In honor of the 200th year of the U.S. Constitution, Stephenson Memorial Library was awarded a "matching" grant of \$500.00 by the National Endowment for the Humanities for the establishment of a Bicentennial Bookshelf. The enthusiasm with which many members of the Town responded to this opportunity was very rewarding, and we exceeded the necessary \$500.00. Therefore, Librarian, Velma Stone, purchased several books relative to the Constitution for both the children's and adult's sections of the library. They have all been prominently displayed throughout the year.

Since a television was donated to the library, the Women's Club generously provided a VCR, so tapes can be shown to the children. It is also a useful resource for the community.

During the year, 6 students and 4 staff members from Crotched Mt. Rehabilitation have been coming to the library on a regular basis.

The children's summer reading program, "Read America," required the children to read, at their own level, one book in each of the following categories: Biography of Founding Father, National Monument or City, Fiction, Honor Book, U.S. Constitution, and Environment. The awards ceremony took place during the annual visit of the Little Red Wagon, the UNH traveling children's theatre.

According to the N.H. Public Library Standards, a library is required to review their policies every five years, and a copy should be placed on file with the State Library. The trustees have submitted a revised copy of the policy of the Stephenson Memorial Library, and a letter of acceptance has been received from the State Library.

Book prices are continuing their upward rise. The average hardcover price for all categories is \$32.43.

Do come in and check out the best sellers, current magazines, and now, a limited but growing, video collection. In accordance with the N.H. Library Standards, the hours have been expanded to: Monday 12 - 5 and 6 - 8 p.m.; Wednesday and Friday 12 - 6 p.m.; and Saturday 9 a.m. to 12 noon.

TOWN OF GREENFIELD
GREENFIELD, NEW HAMPSHIRE 03047
OFFICE OF THE SELECTMEN

1987 was a very successful year for the Wilton Recycling Center. They received \$32,000.00 in revenue from the resale of recycled materials. They also received the Outstanding Recycling Center Award in October, presented by the National Recycling Coalition. Those of you who use the Greenfield Transfer Station deserve recognition because you are part of the reason that they had a successful year and a national award possible.

As we enter 1988, it is important to maintain our high standards and stay abreast of the ever changing, ever improving field of recycling. Recycling is here to stay and we must do our part to make it as easy and hopefully as profitable as we possibly can.

As of APRIL 1, 1988, the Recycling Center in Wilton and the Greenfield Transfer Station will require patrons to remove labels and rinse tin cans before depositing them at the Center or Transfer Station. This has become a necessity in order to market tin cans. The plants that process cans to recover tin and steel are required to use a chemical bath to do this. They can no longer smelt the cans due to EPA regulations. The paper and food substance left in cans putrifies the chemical solution. By removing the labels and rinsing the cans, we are insuring a market for this recyclable item. This also saves increased trucking and tipping costs we would be required to spend landfilling tin cans therefore saving us tax dollars.

All we are asking of patrons is to give the cans a quick rinse and remove as much of the labels as possible. Cans with painted labels are acceptable as is. Full, outdated cans, cans containing grease drippings, aerosol cans, and empty paint cans all go into the separate containers at the Transfer Station. Partially full pet food cans should be emptied into the compost container, delabeled, and rinsed before being deposited into the can bin. The glass bottle policy remains the same. Bottle caps go into the can bin.

With your cooperation, we can continue to keep solid waste disposal costs to a minimum and continue the success that earned us national recognition in 1987. Please feel free to call the Wilton Recycling Center or our Town Offices if you have further questions and drop into the Office to pick up one of the new brochures. Thank you again for your cooperation regarding the recycling of your trash.

Respectfully,
